

CMAP Core Values

Serve with passion.

We are passionate about serving the people of metropolitan Chicago. We build public trust by being good stewards of public resources and proactively sharing information.

Pursue equity.

We are guided by the principle that everyone has a right to opportunity and a high quality of life. We work to realize equity for all.

Foster collaboration.

We believe inclusion and collaboration strengthens our work. We seek out the voices of those who often go unheard or face barriers to public participation.

Lead with excellence.

We lead on issues that advance the region.
We believe in the power of data and the
story it tells. We identify and share solutions
and inspire others to adapt them for
their communities.

Drive innovation.

We are driven by the desire to find more efficient methods to achieve the most impact. We do this by seeking new solutions to old problems, taking calculated risks, and daring to try them.
